*Solo & Ensemble Music List*

---

*A music resource list of graded solo & ensemble music suitable for  
District and State Music Performance assessments.*

*EDITION I  
Effective September 1, 2002*

This publication contains music selections for Solo & Ensemble events at both the District and State level. It is my hope that this inaugural edition of the FOA S&E manual will set high standards and will prove to be a valuable resource for all FOA members. Many hundreds of hours were devoted to the evaluation of musical literature and the development of the materials herein. Every effort has been made to eliminate out-of-print materials. The membership of FOA is invited to identify errors of any kind as well as submit suggestions for deletions or additions.

Ellen S. Ways  
S&E Manual Editor  
May 2002

#### PLEASE NOTE

Only one movement of each multi-movement work should be performed. All performers must adhere to the time limit of 8 minutes playing time; please make cuts if necessary. Specified publishers are suggested; other editions are also acceptable. Whenever possible, pieces that are also found in collections are noted; some of these pieces are no longer available as a single selection. Please remember that ANY edition is eligible for performance.

Items are listed alphabetically by instrument, class, and composer.

Highly recommended pieces have been noted with a (\*).

Music is classified in accordance with established FOA guidelines:

Class A=Grade V and VI

Class B=Grade IV

Class C=Grade III

Class D=Grade 2

Class E=Grade 1
